## THE TRUTH PROJECT

Training with Ron Conway

Have you heard of it? Do you know why Jesus came into the world? He came to "Testify to the Truth." If Jesus came into the world to testify to the Truth, there must have been a reason for Him to do so. In a World where Truth is difficult to find, we all need to discover again the Truth that is found in Christ. Come early and join us for the First Lesson of The Truth Project "What is Truth?" We will explore the Holy Scriptures and bring to life and light the Good News of Jesus Christ. Come discover how you too can become involved in The Truth Project.

Leadership is a word that is commonly tossed around today and many times ill applied to the wrong people or given the wrong meaning. What does it really mean, what are the components, how does it work and how is it really be applied, find out in the breakout session, Kingdom Value Leadership.
